

News from Liverton Village Hall

Since our last update we have managed two volunteer maintenance days which have been very productive and successful – due in no small part to all our fabulous, energetic and committed new volunteers – we are very lucky to have you on board!

Our Quiz in April raised nearly £500 to go towards our roof repairs – everyone who came said it was a fun and tasty evening – thoroughly enjoyed by all. Thank you to all who played and to all those behind the scenes that made it happen – look out for another Quiz date coming in September – they are very friendly and welcoming.

New front doors have now been fitted and look and work like a dream. Work on our roof will be starting soon once the weather realises it is summer time and soon our Hall will be ship shape – or at least Village Hall shape!

The planting at the front is a joy to behold and under the green fingers and flair of Liza and Gay, will continue to flourish throughout the summer months bringing joy and colour to all our users and those just passing by!

Just a reminder

Liverton Village Hall are offering the use of the Hall and its facilities **FREE** on any Saturday morning between April and September 2024 to anyone who is raising money for a Registered Charity – Coffee Morning, Big Breakfast or Table Top Sale – the Hall can do it all!

If you are looking for a venue for your Charity Fundraiser look no further – interested?
